 - Site Condominium
 - A 2-4 Unit project provided the following are met:
 - Project is not ineligible. See section Ineligible Projects.
 - Evidence of sufficient hazard, flood, and walls-in insurance coverage if the subject unit has individual coverage. If the insurance covers the entire project, it must be sufficient in the event of a total loss.
 - Homeowner's association dues to be included in DTI/DSCR if applicable
- Special assessment information is to be provided to determine if there is a critical repair. Provide purpose, amount, term, balance, status, and cost per unit.
- Any projects with significant deferred maintenance or have received a directive from a regulatory or inspection agency to mark repairs due to unsafe conditions are not eligible for purchase. Significant deferred maintenance includes deficiencies that meet one or more of the following criteria:
 - Full or partial evacuation of the building to complete repairs is required for more than seven days or an unknown period of time
 - The project has deficiencies, defects, substantial damage, or deferred maintenance that
 - are severe enough to affect the safety, soundness, structural integrity, or habitability of the improvements; or
 - has improvements in need of substantial repairs and rehabilitation including many major components; or
 - impedes the safe and sound functioning of one or more of the building's major structural or mechanical elements, including but not limited to the foundation, roof, load bearing structures, electrical system, HVAC, or plumbing; or
 - has critical repairs with one of the following characteristics:
 - mold, water intrusions or potentially damaging leaks to the project's building(s); or
 - unfunded repairs costing more than \$10,000 per unit undertaken within the next 12 months (does not include repairs made by the unit owner or repairs funded through special assessment).
- California Condominiums:
 - For loans secured by a condominium unit in the state of California, an inspection is required per SB 326, for projects with wood deck, balcony, stairway, walkway, or railing elevated more than 6 feet above the ground as evidenced on the condo questionnaire.
 - Projects with an unacceptable or no inspection are ineligible.
- Florida Condominiums:
 - For loans secured by a condominium unit in the state of Florida, if the project is over 30 years old (or 25 years if within 3 miles of the coast), a structural inspection is required for projects 3 stories or greater. The inspection needs to address items that substantially conform to the definition of a milestone inspection as defined in Florida statute 553.899.
 - Inspection must confirm there are no conditions severe enough to affect the safety, soundness, structural integrity, or habitability of the improvements.
 - Projects with an unacceptable or no inspection are ineligible. Projects with an unacceptable or no inspection are ineligible

- See the current Loan/LTV matrix for maximum LTV/CLTVs and loan amounts.
- Lendz' project exposure maximum shall be \$5,000,000 or 20% of the total units in a project greater than 4 units, whichever is lower.
- Projects consisting entirely of detached (site) units will not require a project review and are eligible for single-family dwelling LTV/CLTV. Completion of the Homeowners Association (HOA) questionnaire is not required for site condominiums.
- Project has been created and exists in full compliance with applicable local jurisdiction, State, and all other applicable laws and regulations.
- Subject Unit Minimum Requirements: Minimum 500 Square Feet, Full Size Kitchen, minimum of one (1) bedroom.
- Commercial space allowed up to 50% of the project.
- No more than 20% of the total units in the project may be 60 days or more past due on the condominium/HOA fees.
- For condominium projects consisting of five or more units, single entity ownership is limited to 20% of the project.
- Investor concentration allowed up to 60%. A higher percentage may be considered when the subject transaction is an investment property when a history of a high percentage of rental units in the project can be demonstrated.
- Projects involved in litigation are acceptable provided the lawsuit(s) are not structural in nature which impact the subject unit and do not affect the marketability of the project units and potential damages do not exceed 25% of HOA reserves or documentation from the insurance carrier or attorney representing the insurance carrier that the insurance carrier has agreed to conduct defense, and the HOA insurance policy is sufficient to cover the litigation expense.
- Borrower must carry HO-6 coverage for replacement of such items as flooring, wall covering, cabinets, fixtures, built-ins, and any improvements made to the unit.
- Lendz underwriter must confirm that the project documents do not give a unit owner or any other party priority over the rights of the first mortgagee.
- 5% deductible master insurance is acceptable.
- Co-insurance is not acceptable

ESTABLISHED PROJECTS

- 90% of the total units in the project must be sold and conveyed to the unit owners.
- 40% of the total units in the project must be owner occupied.
- All phases are complete.
- HOA must be conveyed to the unit owners – no developer or builder-controlled projects allowed.
- All comparable sales may be from within the subject's project if the project is established and consists of 100 or more units. Recent sales of model match units, if available, must be utilized in the appraisal report.

NEW OR NEWLY CONVERTED PROJECTS

- 50% of the total units in the project or subject's phase must be sold and conveyed to the unit owners AND at least 50% of the units must be owner occupied.
- Project or subject's legal phase along with other development phases must be complete. All common elements in the project or legal phase must be 100% complete.
- Project may be subject to additional phasing.

- The project developer may be in control of the condominium association provided the Master Agreement allows the homeowners to take control of either a predetermined percentage of unit sales or within a defined time frame.

11.2 NON-WARRANTABLE CONDOMINIUM:

- If the project does not meet the criteria for a warrantable condominium, it will be considered non-warrantable.
- Fannie Mae 1076 form or Series 1 form is required
 - The condo questionnaire form is required and is to include breakdown of units so investor concentration can be properly assessed.
- Transactions must meet the LTV restrictions in the appropriate Lendz Financial Matrix.
- 5% deductible master insurance is acceptable.
- Co-insurance is not acceptable

11.4 CONDOMINIUM HOTEL – AKA CONDOTEL

- Kitchenette is not acceptable
- Studio is not acceptable
- A full kitchen and separate bedroom are required
- Co-insurance is not eligible
- California Condominiums:
 - For loans secured by a condominium unit in the state of California, an inspection is required per SB 326, for projects with wood deck, balcony, stairway, walkway, or railing elevated more than 6 feet above the ground as evidenced on the condo questionnaire.
 - Projects with an unacceptable or no inspection are ineligible.
- Florida Condominiums:
 - For loans secured by a condominium unit in the state of Florida, if the project is over 30 years old (or 25 years if within 3 miles of the coast), a structural inspection is required for projects 3 stories or greater. The inspection needs to address items that substantially conform to the definition of a milestone inspection as defined in Florida statute 553.899.
 - Inspection must confirm there are no conditions severe enough to affect the safety, soundness, structural integrity, or habitability of the improvements.
 - Projects with an unacceptable or no inspection are ineligible.
